

Safe Space Protective Shields

Universal barriers for workstations, conference rooms and other high-traffic office areas

EATON

Powering Business Worldwide

Safe space protective shields

In today's environment, it's important to **help ensure employee safety** in the office. Eaton's protective shields are designed to **help guard against germs** in an office, retail or technical environment.

Made of clear acrylic (plexiglass), the shields safeguard individuals by keeping them at a physical distance and help protect against airborne droplets.

Features and benefits

- Universal designs for use with any office furniture and office environment
- Design options for new and existing installed Eaton furniture configurations
- Easily installed and uninstalled as needed
- Multiple configurable options
 - Freestanding universal floor and desk options
 - Locking caster options for universal floor offering
 - Desk clamp mounting for added support
- Anti-tip design for added safety
- Manufactured in Worcester, MA

Safe space protective shields

Offering overview

Universal protective shields

Ideal for virtually any office and 24/7 environments, the Eaton universal protective shield is available in desk and floor divider options.

- Desk dividers
 - Freestanding and edge clamp desk divider options
 - Available in a wide variety of size configurations up to 36" high and 72" wide (in 6" increments)
- Floor dividers
 - Freestanding and caster-based divider options
 - Available in a wide variety of size configurations up to 81" high and 48" wide (in 6" increments)

Shields for Eaton command consoles

Designed specifically for Eaton's Profile™ and OnGuard™ command consoles, the protective shields are available in a variety of sizes.

- Profile command console top trim divider panels
 - Available in a wide variety of size configurations up to 36" high and 72" wide (in 6" increments)
 - Shield easily clamps onto the core wall with provided clamps
- OnGuard command console divider panels
 - Available in a wide variety of size configurations up to 48" high and 72" wide (in 6" increments)
 - Clamps on quickly using provided clamps
